

**#1:** Very good one, even if the unsharp mask is too strong.

**#2:** This is gorgeous. The use of parallel lines and the vanishing point really leads us into this photo. And the mixture of warm and cool colors is very pleasing.

**#3:** This appearance is particularly prominent in the lower left foreground foliage which is also quite bright and thus accentuates the over-sharpened look. Perhaps it is jpeg artifacting, if I look in the upper branches of the tree I can see a cross-hatch pattern...
